

Kearny County Fire & Rescue.

RE: BURN BAN.

The county has received sufficient moisture to temporarily lift burn ban. however these rules will still have to be followed.

MINIMUM REQUIREMENTS.

1. Call Sheriffs office prior to burning. Provide location and what is to be burned.
2. Provide a safe zone. Mow an area around objects being burned.
3. NO! Burning if wind is or may reach speeds in excess of 15mph.
4. NO! Burning if humidity is or may be under 20%.
5. Provide constant supervision during burning and have a water supply when ever possible.
6. Make sure fire is out along with any hot spots. Before leaving location.
7. If location of burn has the possibility of smoke interfering with traffic on any roadway. Arrangements must be made with Kearny Co. Sheriffs office before any burning will be allowed.

8. Any unreported burning will be extinguished by the Fire Dep. no exceptions.

Thank you for helping keep Kearny Co. safe from fire. We appreciate your cooperation.
