

## **REQUIRED INSPECTIONS**

**THE FOLLOWING INSPECTIONS ARE REQUIRED BY THE CITY OF LAKIN:**

- **Stake out of the project**  
This is to check setbacks and building separation.
- **Foundation/Footer**  
All steel and forms must be in place.
- **Slab/Under Floor**  
Any component which will be covered must be in place.
- **Rough Plumbing**  
This will include all pressure and water tests.
- **Rough Electric**
- **Framing**  
All plumbing, electrical and other concealed components in place  
and all notching, boring and cutting of framing members braced or  
repaired.
- **Drywall**  
Before you tape and spackle.
- **Final**  
After all construction and grading are complete.

**You should be completely finished with a phase before you request and inspection.**
